& COPSS Leadership
Academy

Topic: Statistical Leadership for AI-Enabled Health

Join us for a webinar on how statistical leadership is
driving AI-enabled precision health.

The session will explore practical strategies for
integrating multimodal data, building trustworthy
models, and fostering cross-disciplinary collaboration to
translate AI innovations into real clinical and public-
health impact.

TUESDAY, SEPT 30, 2025
12-1 P.M. ET / 9-10 A.M. PT

NO FEE, ZOOM
PRE-REGISTRATION
REQUIRED
