Academy

Topic: Leadership in Communication of Statistics

Join us for the COPSS-NISS Leadership Webinar, focusing on leadership in communication of Statistics!

With the increasing attention and public debate on AI, influential leaders will share their unique experience, vision and suggestions on how to effectively communicate and convey the impact and the central role played by Statistics to diverse audiences.

Statisticians and data scientists at any stage in their careers are invited to attend.

THURSDAY, FEBRUARY 6, 2025
12-1 P.M. ET / 9-10 A.M. PT

NO FEE, ZOOM
PRE-REGISTRATION
REQUIRED
