with moderator
SHU YANG

North Carolina State University
& COPSS Leadership Academy

Topic: Leadership at the Intersection of Causal Inference & Interdisciplinarity

Join us for a webinar to discuss the evolving role of causal inference across diverse fields.

The session will explore the latest advancements and practical challenges in applying causal methods to real-world issues, highlighting the importance of collaboration across disciplines.

Statisticians, data scientists, and pscymetricians at any stage in their careers are invited to attend.

TUESDAY, DECEMBER 3, 2024
12-1 P.M. ET / 9-10 A.M. PT

NO FEE, ZOOM PRE-REGISTRATION REQUIRED
