Academy

Topic: Leadership in Statistics & Societal Impact

Join us for the COPSS-NISS Leadership Webinar
focusing the pivotal role of statistical leadership in
driving societal change!

This webinar will explore experiences and perspectives
on how statistical research and leadership can address
pressing societal issues.

*Statisticians and data scientists at any stage in their
careers are invited to attend.*

MONDAY, MAY 19, 2025
12-1 P.M. ET / 9-10 A.M. PT

NO FEE, ZOOM
PRE-REGISTRATION
REQUIRED
