

**NISS Affiliates Program acts as a forum through which industry, academia and government partners to support data driven solutions for business, government and society.**

## THE NISS AFFILIATE PROGRAM

brings together statistical, mathematical and data science professionals from all sectors- academia, industry, government / national lab-to support research, information dissemination, human resource development and networking.

## BECOME AN AFFILIATE

NISS welcomes new members from government, industry, and academia. Visit our ["Become an Affiliate"](#) page and fill out the online application.
